

The weekly pattern of Worship

Weekday Worship

Everyone on campus gathers each day for Foundation worship.

The normal **weekday** pattern for Foundation Worship is:

DAY	TIME	TYPE OF SERVICE
Monday	12.20pm	Staff led – Word, or Word and Table
Tuesday	5.00pm	Staff led - Word, or Word and Table – often with visiting preacher
Wednesday	12.30pm	Student led - Word
Thursday	12.30pm	Student led - Word
Friday	12.30pm	Student led – Word

In addition, students often organise Night Prayer and corporate prayer at other times.

Worship at Residential Weekends

When a residential weekend takes place, all are welcome to join its worship. Details of the pattern are posted for each occasion.

A typical pattern of worship for **residential weekends** is:

DAY	TIME	TYPE OF SERVICE
Friday	8.45-9.05pm	Student led – Word
Saturday	8.45-9.05am	Student led - Word
Saturday	5.00-5.45pm	Student led - Word
Sunday	8.45-9.05am	Student led - Word
Sunday	12.15-1.15pm	Staff led – Word and Table

Please try to be **punctual for all services**. A bell is sometimes rung five minutes before the service starts, but don't rely on that reminder. We do, however, work on the principal of 'better late than never', so please join the service even if you are a little late. Leaders should aim to **start at the advertised time** and to **finish in good time** for us to get to timetabled meals or teaching.
