2. How to do a simple search

HERITAGE ONLINE

Search | Guided Search | Logout | Help

Search library catalogue (you do not need to log in to do this)

Advanced

Quick links

Enter your search terms here. Keep your search simple. There is no need to type the whole title. Choose key words from the title, or one key word and the author surname. Use inverted commas to search for a phrase.

Examples:
models and contextual
models and bevans
"models of contextual"

3. How to use the catalogue to find a book in the library

Summary Detailed See Also

models and bevans

Advanced

Search for models AND bevans

Result 1 of 1

No	Authors	Title	Date	Location, Loan type - Status	Class
1	Bevans, Stephen B.	Models of contextual theology	2002	Reserve Shelf, Reference only, Available (1) Main Shelves, Week loan, Available (9)	261.5 BEV

This column shows the Location, Loan Type (i.e. Standard Loan, Week Loan, or Reference), and Loan Status (i.e. Available or On Loan) of each copy.

This column shows the Class or Shelfmark. If the copy is Available, then the Location and the Class should enable you to find the book in the library.
